

ANNEXURE-II

DELHI STATE INDUSTRIAL AND INFRASTRUCTURE DEVELOPMENT CORPORATION LTD.
N-36, BOMBAY LIFE BUILDING, CONNAUGHT CIRCUS, NEW DELHI - 110001

OFFICE OF THE EE (Env.)

No. DSIIDC/EE(ENV.)/2026-27/10

E-CORRIGENDUM NO.- VII

Date:31.07.2026

Tender Ref. No.:	01/2026-27
Name of Work:	Setting up of E-Waste Facility for Collection, Segregation, Dismantling, Recycling and Disposal of E-Waste on PPP basis at Delhi.
Bid Publish Date:	09-05-2026
Tender ID No.:	2026_DSIDC_291104_1
Corrigendum Name:	Additional clarifications pursuant to Pre-Bid Queries

This is to inform all prospective bidders that, pursuant to the pre-bid queries received and subsequent deliberations, the following amendments and clarifications are hereby incorporated to the RFQ cum RFP and the Concession Agreement.

Part A: Amendments to the RFQ cum RFP				
S.No.	Activity	Clause Reference	Earlier Provision	Modification/ Clarification
1.	Introduction of definition of "10,000 MTA" to be read into Clause 2.2.2(A) of the RFQ cum RFP	1.1 Definitions	-	"10,000 MTA" shall mean the minimum throughput of 10,000 (ten thousand) Metric Tonnes per annum, and for the purposes of demonstrating Technical Qualification under the RFQ cum RFP, shall be construed and applied as follows: a. For Similar Works: It shall mean 10,000 MTA of E-Waste or other waste material (involving collection, processing, storage, dismantling and recycling of E-waste, metal refining, battery waste management, hazardous waste management, municipal solid waste, plastic waste management or End of Life Vehicles ("ELV") recycling as prescribed under applicable laws (including rules and regulations framed thereunder)) processed and recycled by the Bidder in the course of executing and implementing Similar Works, which may be demonstrated cumulatively across one or more Similar Works in any 1 (one) Financial Year within the 5 (five) Financial Years immediately preceding the Bid Due Date; and b. For O&M Capacity: It shall mean 10,000 MTA of E-Waste (as per relevant E-waste management rules) processed and recycled by the Bidder at one or more

				E-Waste processing facilities, which may be demonstrated cumulatively across such facilities in any 1 (one) Financial Year within the 5 (five) Financial Years immediately preceding the Bid Due Date. The threshold specified in sub-clauses (a) and (b) above shall be evidenced by annual or quarterly returns filed by the Bidder under the E-Waste (Management) Rules, 2022, or such other equivalent regulatory filings as may be applicable to the relevant category of Similar Works. Provided that each facility relied upon by the Bidder to demonstrate the requisite throughput under sub-clauses (a) and (b) above shall, as on the Bid Due Date, be operational and duly authorised under a valid Consent to Operate issued by the relevant State Pollution Control Board or Pollution Control Committee.

Part B: Amendments to the Concession Agreement

S.No.	Activity	Clause Reference	Earlier Provision	Modification/ Clarification
1.	Clarification on the meaning of "51,000 MTA" for the purpose of Clause 4.1.6(w) and Clause 14.1 of the Concession Agreement	Clause 4.1.6(w) and Clause 14.1	-	"51,000 MTA" shall mean 51,000 (fifty-one thousand) Metric Tonnes per annum, being the minimum assured quantity of E-Waste required to be processed and recycled by the Concessionaire at the Project Facility in each year commencing from the 3rd (third) anniversary of the COD.
2.	Amendment to definition of "Optimum Plant Capacity" in Clause 1.1 of the Concession Agreement	Clause 1.1	"Optimum Plant Capacity" shall have the meaning set forth in Clause 14.1.6.	"Optimum Plant Capacity" shall mean 51,000 (fifty-one thousand) Metric Tonnes per annum, being the minimum assured annual throughput of E-Waste required to be processed and recycled at the Project Facility and shall be the reference capacity for the purposes of computing Capacity Utilisation Milestones under Clause 14.1.1 of this Agreement.
3.	Amendment to Clause 2.1.1(g) of the Concession Agreement	Clause 2.1.1(g)	to collect all types of E-Waste for processing based on the prescribed categories outlined in the E-Waste Rules and its subsequent amendments; the Concessionaire may, also collect, process, and recycle Battery Waste in addition to E-Waste. Such collection,	"to collect, process and recycle E-Waste based on the prescribed categories outlined in the E-Waste Rules (including Schedule I thereto), and any subsequent amendments made thereto from time to time. In addition to E-Waste, the Concessionaire shall be equipped to collect, process and recycle Battery Waste, including lithium-ion batteries (including those used in electric vehicles), and lead-acid batteries, in accordance with the Battery Waste Management Rules 2022 as amended from time to time, and other Applicable Laws. Such collection, processing and recycling of E-Waste and Battery Waste shall be undertaken in compliance with the E-Waste Rules, the Battery Waste

			processing and recycling should be undertaken in compliance with all Applicable Laws and environmental standards; (Refer Schedule 8)	Management Rules, 2022 and all other Applicable Laws, and the regulatory requirements including environmental standards prescribed by the Central Pollution Control Board and the Delhi Pollution Control Committee from time to time. It is hereby clarified that Battery Waste so collected, processed and recycled shall be treated as part of the overall processing/throughput capacity of the Project Facility for the purposes of this Agreement. (Refer Schedule 8)”
4.	Insertion of new Clause 2.1.1(p) in the Concession Agreement — Mandatory obligation to collect, process and recycle waste channelised by GNCTD	Clause 2.1.1(p) (new)	-	“(p) to mandatorily collect, process and recycle E-Waste and Battery Waste, as defined under the E-Waste Rules, and the Battery Waste Management Rules, 2022 respectively, and as amended from time to time, that are identified and channelised to the Project Facility by the GNCTD or any agency authorised by it, throughout the Concession Period. The Concessionaire shall collect, process and recycle such channelised waste in strict compliance with Applicable Laws, Applicable Permits, and regulatory requirements including the environmental standards prescribed by the Central Pollution Control Board and the Delhi Pollution Control Committee from time to time. The rates payable to the Concessionaire for collecting, processing and recycling of waste channelised under this Clause 2.1.1(p) shall be determined and notified by the Authority from time to time. For the avoidance of doubt, the obligation under this Clause 2.1.1(p) shall be in addition to, and not in derogation of, the Concessionaire's obligations under Clause 2.1.1(g) and all other provisions of this Agreement.”
5.	Amendment to Clause 3.1.3 Concession Agreement	Clause 3.1.3	The Conditions Precedent of the Concessionaire are required to be satisfied by the Concessionaire within 90 (ninety) days from the signing of this Agreement. The said period may be extended by the Authority by 30 (thirty) days or such further periods at the sole discretion of the Authority such that the total period for fulfilment of the Conditions Precedent by the Concessionaire shall not exceed 180 (one hundred and eighty) days from signing of this Agreement. Any such extension of time period by the Authority shall be subject to the Concessionaire submitting (i) prior written request for an extension at	“The Conditions Precedent of the Concessionaire are required to be satisfied by the Concessionaire within 120 (one hundred and twenty) days from the signing of this Agreement. The said period may be extended by the Authority by 30 (thirty) days or such further periods at the sole discretion of the Authority such that the total period for fulfilment of the Conditions Precedent by the Concessionaire shall not exceed 180 (one hundred and eighty) days from signing of this Agreement. Any such extension of time period by the Authority shall be subject to the Concessionaire submitting (i) prior written request for an extension at least 15 (fifteen) days prior to expiry of time for completion of the Conditions Precedent; (ii) with specific reasons/ justifications for seeking such extension. The Conditions Precedent of the Concessionaire shall be deemed to have been fulfilled when the Concessionaire shall have:...”

			least 15 (fifteen) days prior to expiry of time for completion of the Conditions Precedent; (ii) with specific reasons/ justifications for seeking such extension. The Conditions Precedent of the Concessionaire shall be deemed to have been fulfilled when the Concessionaire shall have:...."	
6.	Amendment to the Concession Agreement — Insertion of new Clause 14.1.10 (Carbon Credits)	Clause 14.1.10 (new)	-	"Any carbon credits generated as a result of the development, operation and maintenance of the Project shall accrue to the Concessionaire. However, the Concessionaire shall share one-third (1/3rd) of the net revenue realised from the monetisation, sale, transfer or trading of such carbon credits with the Authority. The Concessionaire shall register all carbon credits on the Indian Carbon Market portal established under the Carbon Credit Trading Scheme, 2023, or such other registry or portal as may be designated under any scheme notified by the Government of India from time to time."
7.	Clarification on Transfer of Assets upon Expiry Date	-	-	It is hereby clarified that, the Concessionaire shall be entitled to remove and retain movable assets installed by Concessionaire at the Project Site, as certified by the Project Engineer after the Expiry Date, and subject to fulfilment of all obligations under this Agreement, provided that all immovable assets, civil structures, foundations and built infrastructure forming part of the Project Site, Project Assets and the Project Facilities shall at all times remain the property of the Authority and shall in no circumstances be removed, alienated and/or encumbered by the Concessionaire.

Note:

- All other terms and conditions of the tender documents that are not expressly amended by this Corrigendum shall remain in full force and effect as originally provided.
- This Corrigendum shall be deemed to have come into effect from the date of issuance of the tender documents and shall form an integral part thereof.
- This Corrigendum, when read together with the tender documents, constitutes the entire understanding between the Parties and shall be interpreted accordingly.
- In the event of any inconsistency between the provisions of this Corrigendum and the tender documents, the provisions of this Corrigendum shall prevail to the extent of such inconsistency.
- Clause specific amendments in the Concession Agreement to give effect to the above clarification shall be made in the tender documents.
