

(iv) The norms set by it for the discharge of its functions.

Not specific norms have been set by DSIIDC for discharge of function. However, efforts are being made to deal with projects and cases as expeditiously as possible. In Industrial Promotion Division the appropriate action on all relevant issues pertaining to Industrial Promotion division are taken as prescribed norms/guideline/instruction/rules issued by GOI/GNCTD/DSIIDC.

In Engineering Division, the works are carried out based on Administrative Approval and Expenditure Sanction accorded by the competent authorities Managing Director DSIIDC/ Works appraisal board/Board of Directors of DSIIDC or respective competent authority in case of Deposit works.

For execution of works DSIIDC follows CPWD works procedure and follows the provisions laid out in the latest CPWD works Manual.
